

Storytime Activity Guide

Hank Finds An Egg by Rebecca Dudley

While walking through the forest, Hank finds an egg on the ground! Where did it come from, and how will he return it?

Scan this QR code with your phone's camera to see our Read Aloud!

Play:

1. Take a piece of paper and draw your own forest!
2. Draw the animals, the plants, and a big egg in the middle!
3. Where did it come from? What's inside? How do you find its home?

Materials:

- Several pieces of blank paper
- Box or paper bag
- Crayons, markers, or colored pencils
- Scissors

Learn:

1. What other animals can you find in the forest? Do they live on the ground or in the trees?
2. What other ideas could Hank use to get to the nest?
3. Do you like the forest? Why?

Practice:

- Nest
- hummingbird
- stump

Now try this!

Draw an egg with an animal inside on a piece of paper. Cut out the egg and use a box, paper bag or basket to make it a home. Put the animal's home in a special place. Hide the paper egg in your house. Then, have your child find the egg and return it to its home.
